Colton Randolph

B2B Tech Content Writer & SEO Strategist

cr@coltonrandolph.com Wichita, KS linkedin.com/in/colton-randolph coltonrandolph.com (Portfolio & Case Studies)

PROFESSIONAL SUMMARY

Content and SEO strategist with 9+ years of experience building scalable organic growth engines for B2B tech and SaaS companies. With a unique founder's perspective, I develop and execute data-driven content strategies that turn search into a predictable revenue stream. Proven ability to translate complex technical topics into high-performing content that drives traffic, establishes market authority, and converts customers.

PROFESSIONAL EXPERIENCE

SEO/Technical Content Writer

Oct 2023 - Present

xTom | Contract

- Drove a 2300% peak increase in organic traffic over 24 months, growing from ~300 to over 7,500 monthly visitors through a targeted technical content strategy.
- Authored 90+ in-depth technical articles on IaaS, virtualization, and Linux, establishing the company as a market authority and securing 450+ top-10 keyword rankings.

Technical Writer

Aug 2023 - Oct 2024

Proxycurl | Full-time

- Increased organic pageviews by 324%, generating 1.9 million total pageviews over 15 months by executing a full-funnel SEO and content plan.
- Achieved #1 Google ranking for high-intent keywords like "linkedin data scraper" and secured 333+ top-3 keyword positions for commercial and technical terms.
- Wrote over 30 long-form technical articles and API tutorials that improved developer onboarding and increased product activation rates.

Email & Website Copywriter

Aug 2021 - Jul 2023

The Happier Hustle | Contract

- Developed an empathy-first, multi-channel content strategy that generated thousands of qualified leads and consistently increased program enrollment.
- Grew an engaged and supportive Facebook community to over 6,400 members using trauma-informed copywriting for a sensitive healthcare audience.

Founder

Sep 2016 - Sep 2017

Cart Grab | Full-time

- Founded and scaled an eCommerce SaaS platform from concept to customer acquisition with a $0 ad spend by pioneering a content-first GTM strategy.
- Validated, funded, and launched the product by building an audience and pre-selling lifetime deals, managing the full product and marketing lifecycle.

Freelance Copywriting & SEO Services

May 2016 - Present

Clients include: Email Engineers, MyServiceArea, Sqribble, Woop Insurance

- Provided full-funnel content marketing, direct response copywriting, and SEO services to a diverse range of B2B and B2C clients to drive leads and sales.
